What's New at Sei Bella?

Your Rejuvenation 21 Plan! This is a plan that detoxes your body and you lose inches and weight. A perfect match to go with all the cellulite treatments. It is a win-win solution for the total You!

What is it? It is a 21 day Plan where weight loss/balancing could be the greatest step you've ever taken for yourself! The plan works by essentially resetting the hypothalamus (a gland located deep in the brain which controls metabolism). The hypothalamus is the only gland in touch with all the organs in the body. It controls sensations of fullness and hunger. The hypothalamus, over the years, becomes overtaxed by all the toxins in the average American diet, which in turn slows down the metabolism. Through extensive literature research, the people at Rejuvenation have expanded on the idea of resetting the hypothalamus by adding a specific homeopathic to an all organic diet. The results are amazing!

The average weight loss is 1/2 to 1 pound per day!!

Tell Yourself "I CAN DO THIS!" "I AM WORTH IT!"

The products will arrive April 27th.....

Oh yes, I am doing this program and the health benefits have been so amazing for me. Personally, I have experienced great weight loss, healthy elimination, level moods, sleeping like a baby all through the night and a clean feeling throughout my whole body!! I highly recommend this program. There is nothing like it. And, it is sustaining when completing the program!! Watch for open house parties or call and have an individual consultation FREE!
